

HOUSING AUTHORITY

OF THE CITY OF ANNAPOLIS

TO WHOM IT MAY CONCERN:

Please consider this a letter of reference for SMK Enterprise Inc. of Leola, PA. SMK did a project for the Housing Authority in 2004/2005 where they had to manufacture 378 radiator covers in be installed in existing occupied units.

SMK did an excellent job of measuring, fabricating, delivering and installing the covers. They were very professional to work with, completed installations on time according to schedule.

The Housing Authority would recommend them for any projects.

Carol Morgan
Director of Modernization
